

Downloading VMware View Client on your Home Computer

1. Open the CACS website, www.cacsk12.org
2. Click on District Forms/Links under District Quick Links
3. Click on 32bit or 64bit Client.

- a. To find out whether or not your OS is a 32bit or 64 bit right click on "My Computer" then click Properties. It will tell you on that screen. If it does not or you cannot find it, choose 32-bit, it will work on a 64-bit OS.
